

Revitalization Meeting History/Tourism Committee July 24, 2008

These are the current projects/issues discussed at the meeting:

1. **Postcards**

Leedonna reported that Mr. Tolbert said that he has gotten some quotes on printing postcards for the town. He was not present at the meeting. Hopefully we will have some prices at the next meeting.

2. **Brochures**

Leedonna has been working on the brochures. She will add the photo of the fountain to the collage of pictures. She will also add the logo to the top of the brochure.

3. **Website**

Christie researched available Domain Names at GoDaddy.com. The following domain names were available at a cost of \$9.99 per year: (This cost does not include setting up the website. It is just to reserve the name.)

ninetysixsc.org
ninetysixsc.net

4. **Special Event**

We discussed having an event on October 11 when the Historic Site holds their Candlelight Tour. We suggested putting luminaries along the walking trail and having most of the events along the trail. Some possible events would be:

Antique Cars (parking lot on square)
Days of Yesteryear (in Depot)
Storyteller (in Library)
Musical Guests
Checkerboard Tournament (in Visitor's Center)
Artwork (in visitor's Center)

Additionally it was suggested that church groups could provide food.
